

# *Road Rally Basics and Rules*

## **1. *Road Rally Basics* –**

- Road Rally, aka Scavenger Hunt using cars, is Saturday, March 23, 2019. Registration begins at 2pm. Competition is from 3pm – 6pm.
- Participants will receive a copy of the items to be found at check-in along with a sign, with your team number, which will need to be used in all pictures/videos submitted. You will need to make sure you have a cell phone with text capabilities available.
- Some Road Rally tasks deal with strangers... It's very important to be kind and respectful with strangers, and with that said – always be on guard and stay safe, use your healthy judgment when it comes to people you don't know.
- You are allowed to gather items from Beaufort, Union and/or Washington.
- Spending money to acquire items on the list is not required. If you are strategic enough you can complete the Road Rally at a minimal cost! It is discouraged to spend money excessively (especially because most of the fun is being creative on how you get the items on the list).

## **2. *Road Rally Rules* –**

- All team members **MUST** wear seat belts when the car is in motion. If any team member is caught not wearing a seat belt while the car is in motion, your team will lose 5 points.
- All team members need to stay with their team at all times. You may not split up to “divide” Road Rally tasks or pay or bribe additional individuals to join your team and complete your tasks.
- **NO** harassing citizens, physically or verbally, for items or photographs. It is their right to choose not to help you and you should respect their choice.
- Teams must be courteous and respectful to not only citizens, but also their teammates and others involved in the Road Rally.
- **NO BREAKING ANY LAWS!** Road Rallies are for fun, but you must do so legally! **If your team breaks any laws during the duration of the Road Rally, your team will be disqualified.** This includes (but is not limited to) – shoplifting, assault, trespassing, blackmail, bribery, forgery, perjury, fraud, ect.!
- If businesses or private individuals lend you items, please note that it is each team's responsibility to return any borrowed items to their original owners (if requested).
- Always play fair. Don't let your competitive instincts drive you to ruin other people's chances to win, if you do – **your team might be disqualified.** This means no cheating, lying, stealing, sabotaging, or copying other people's work. **Sabotaging other teams will result in an automatic disqualification.**
- Cheaters never win. If anyone on your team cheats or breaks the Road Rally rules, **the whole team will be disqualified.**
- Judges determinations, after the Road Rally, are final.

**Remember – it's just a game! BE KIND and HAVE FUN!**
