From Fr. Tom,

“You are in for the fight of your lives!” That’s what I told a group of recent high school grads as they prepare to attend college this fall. Hopefully not a physical fight, but certainly there will be struggles in keeping and practicing their faith in an environment that is becoming increasingly hostile to decent, conservative, Christian values. Jesus did not preach tolerance for the sake of “keeping peace” but rather opposition to sin for the sake of TRUE peace. With all our family relationships, our relationship with God is the most important.
